

4<sup>th</sup> October 2022

Dear Parents and Carers

We are approaching a special time of year in our Morden Primary School calendar. Autumn is harvest time and a time to look out for local community, sharing food and friendship with the Friends of St Helier (FISH) organisation.

FISH is a charity that we have supported for the last few years and supports the older generation in our neighbourhood. It is a welcoming place that provides hot, home-cooked food with light entertainment, activities and most importantly companionship and friendship for people of a certain age.

From **Monday 3<sup>rd</sup> October**, we will be collecting **tinned and long-life food products** as part of our **harvest collection**. I am very pleased to say that Year 6 will deliver this to FISH on Thursday 20<sup>th</sup> October 2022. This is something we have missed doing over the last two years.

If you can spare any of the following items (well-dated), we would be really grateful.

Long-life milk (custard, etc)

Pasta

Rice

Tins (tomatoes, fruit, vegetables)

Jars (jams, marmalade, honey)

Thank you so much in advance.

Best wishes

Mrs Torreiro
