

Barnaby Bear Home Learning

Autumn 1

Please complete at least 1 task every week during the term and upload a photo of your child's work into our Google classroom so that I am able to see all of their amazing work.

If you have any concerns, would like some support or help with resourcing your home learning, please do not hesitate to contact me.

Calculate	Write	Create	Investigate
Get 3 toy bears and find out how much they weigh. Order them from lightest to heaviest and record your findings.	Write a poem about your favourite teddy bear. Read the rhyme 'teddy bears picnic' for inspiration. What colour is it, how does it feel? Does it make a noise? Why is this bear special to you?	Can you make a recipe for your own tasty porridge, you could add your own favourite toppings. Try it at home and take a photo. Upload your recipe into Google classroom.	Find out different ways to travel to school and draw a map. Can you add different directional words e.g. right, left, forward and backwards?
Daddy bear, Mummy bear, Baby bear and 8 friends each wore a hat when they went for a walk. How many hats were there altogether? Draw pictures to show your answer.	Go to the online library and read a book about bears. Goldilocks and the 3 bears is one you could choose. Then write a review to tell others what you thought of it.	Design an invitation to a teddy bears picnic.	Find out where different types of bears live. Can you find the different countries on a map of the world? Can you show where by adding a caption to the map?
Make a tally chart and ask your friends and family what their favourite type of bear is. Turn the results into a pictogram.	Write a description about a bear and its life in the jungle. Watch part of the film 'Jungle Book' to inspire you.	Do you have a favourite teddy bear? Draw or paint a picture of your favourite teddy bear.	Could you make a poster about bears around the world.
